Introduction: "Our Signature"

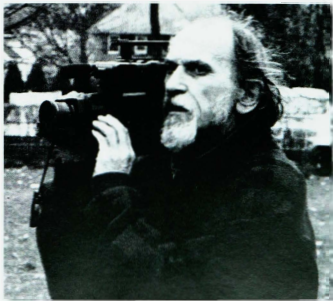

The Mirror serves as a reflection upon what happens at NSCDS each school year. Thus, we chose the theme "Our Signature" as a way to represent how each Raider leaves a mark on the year. One of the most noticeable marks was the renovation of two of our most prominent buildings, the Auditorium and the Arts Center. These buildings signify North Shore's commitment to an arts experience for all students. This is one of the signature pillars of a North Shore Country Day School education. Arts are part of all of our lives at North Shore. Each student participates in productions, whether they be theater, band, chorus or dance, during their time here. In addition, many spend time in the studios drawing, painting, throwing clay on a wheel, and developing photos in the darkroom. The 2013-2014 school year brought a new, exciting energy to the arts.

We also added our signature to this book by inserting hand drawn sketches. We were inspired to do this by yearbooks produced in the 1960s, 1970s and 1980s under the direction of legendary art teacher John Almquist. Students at NSCDS are engaged in art daily, whether it be in the Auditorium, the Almquist Gallery, the studio, or the chorus room. We find it fitting to honor one of the school's greatest artists who shared his love and talent with the community and encouraged students to follow their passions.

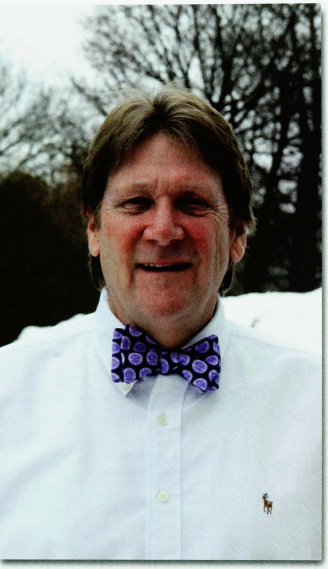

We hope that you will enjoy the 2013-14 Mirror — printed for the first time in full color! Have fun looking back on all the marks we have made this year!

Dedication

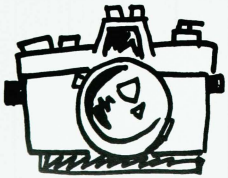

For half of North Shore Country Day's history, Art Jessen [Class of 1970] has been part of our community as a student, parent, photographer, fan, and Raider-mobile driver. It is safe to say that he is arguably the all-time #1 Raider. In his most recent role as school photographer, Mr. Jessen is dedicated to documenting almost every school event, even events outside the North Shore campus. No matter the weather or the day of the week, if there is a North Shore event, Mr. Jessen will probably be there!

In many ways, Mr. Jessen's photographs serve as the glue that binds our school community together. By capturing our diverse population of students, parents, teachers and alumni at everything from Homecoming to the Third Grade Hot Chocolate House, Mr. Jessen creates a lasting testament to why North Shore is such a special place. In a way, his photographs are the visual signature to our school year. For that reason, we are proud to dedicate the 2013-14 edition of *The Mirror* to Mr. Art Jessen.

Thank you, Mr. Jessen!

Nóra Kiss

North Shore had the pleasure of welcoming Nóra Kiss as our international student for the 2013-2014 school year. Nóra is from a region outside of Budapest in Hungary.

She has been involved in clubs, sports and the arts this year. She's been on a Model United Nation's Conferences and she was also in the spring musical. In addition, Nóra played volleyball in the fall and ran winter and spring track.

She has had an amazing experience at North Shore this year. She says, "It's the most welcoming community I've ever been a part of. Everyone is super nice and really helpful. It has changed me in a really positive way and opened my eyes to try to see the best in everybody."

A huge thank you to the York Family for being such incredible hosts!

We love you Nóra!

Carl Anderson

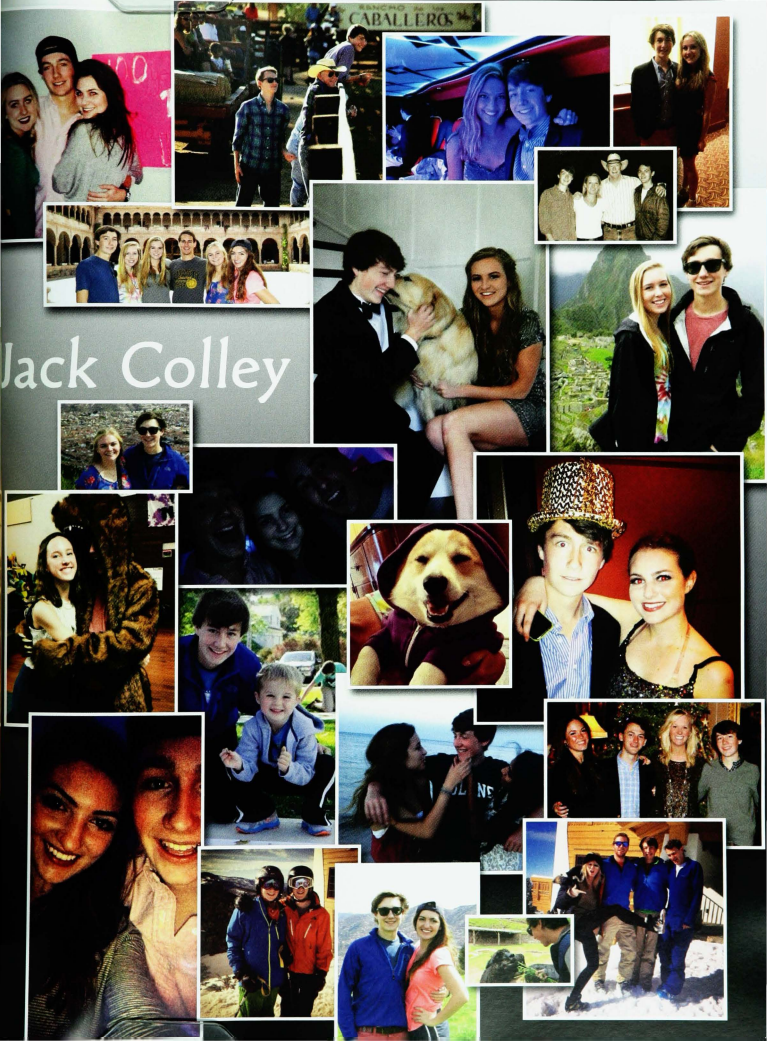

"The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly, who errs and comes up short again and again, who knows the great enthusiasms, the great devotions, who spends himself for a worthy cause; who, at the best, knows, in the end, the triumph of high achievement, and who, at the worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."
